- In every instance in the reclamation contract where the mine location is named Green Beetle Quarry, this name is replaced with Green Beetle Quartzite Tract
- The map date of 8-26-05 is referencing Green Beetle Quarry map and is hereby dated as such

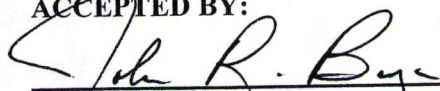

Nothing herein contained shall vary, alter, or extend any provision or condition of the Reclamation Contract.

To the extent any conflict exists between this letter addendum and the Reclamation Contract, these terms shall control.

Please acknowledge and return this letter with original signature to the Division.

**The below signed, acknowledges and accepts these revisions and incorporates them into the Reclamation Contract.**
